Hi Arley,

I contacted you yesterday because we had a meeting scheduled with Steel Craft and Mike was out of town.

However, they rescheduled their visit to Wednesday, August 23rd at 2:00pm. We are scheduled to see Eric's lot at 6th and Pacific but I wanted to show them other sites too. I don't know if Eric's lot will meet their parking requirement. I wanted to see if any of you were interested in this concept.

Here's the website if you want to check it out. I recommend you watch the video.
